

Hello Class 3! Welcome to our remote learning programme. I have included a range of different lessons and activities for you to try out. Try to do as many of the lessons/activities as you are able to.

Maths links to try:

[Hit the Button - Quick fire maths practice for 5-11 year olds \(topmarks.co.uk\)](#) [Times tables games - Learn them all here!](#) [Countdown \(maths.org\)](#)

[Multiplication Tables Check - Mathsframe](#) (Very useful for Year 4s, but the Y3s will benefit from this link, too)

| Mon | <b>Maths:</b><br><b>Year 3 – Perimeter</b><br><a href="#">To calculate perimeters of 2D shapes in cm and mm (thenational.academy)</a>               | <b>English - Grammar:</b><br><b>Year 3 - BBC Bitesize Y3 English – Grammar – Prepositions</b><br><a href="#">What is a preposition? - BBC Bitesize</a><br>Watch the two videos and do the quiz. | <b>Reading:</b><br><b>Year 3 – The Firework Maker's Daughter by Phillip Pullman</b><br><a href="#">Lesson 1 The Firework makers Daughter To engage with the text (thenational.academy)</a> | <b>Y3/4 Art:</b><br><b>Draw with Rob.</b> Use the video clip below to draw a creature or character of your choice. Also have a go at another one.<br><a href="#">#DrawWithRob — Rob Biddulph</a><br><br>Alternatively, practise your sketching skills from the autumn term, using the link we used in class <a href="#">Pencil Shading Techniques Intro   RapidFireArt</a><br>Try drawing some simple objects like cutlery, flowers, fruit, vegetables or other small objects found at home. Add some of the shading techniques we have learned.                                                                         |
|-----|-----------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
|     | <b>Year 4 – Perimeter</b><br><a href="#">Measure and calculate the perimeter of rectangles in centimetres and millimetres (thenational.academy)</a> | <b>Year 4 – BBC Bitesize Y4 English – Grammar – Passive Verbs</b><br>Watch the video, do the activity and do the quiz.<br><a href="#">What is a passive verb? - BBC Bitesize</a>                | <b>Year 4 – Walter Tull's Scrapbook by Michaela Morgan</b><br><a href="#">Lesson 1 To engage with the text (thenational.academy)</a>                                                       | <b>Y3/4 Times Tables:</b><br>Use our regular times table website <a href="#">Times tables games - Learn them all here!</a> to do the various activities and practise the following times tables:<br><br><p style="text-align: center;"><b>Year 3</b><br/> <b>2x, 5x, 10, 3x, 4x, 8x,</b></p> <p style="text-align: center;"><b>Year 4</b><br/> <b>All times tables, especially 6x, 7x, 8x, 9x, 12 x</b><br/>                     You could also use Hit the Button to practise times tables and division facts.<br/> <a href="#">Hit the Button - Quick fire maths practice for 5-11 year olds (topmarks.co.uk)</a> </p> |

|     |                                                                                                                                                                                                   |                                                                                                                                                                                                                                                                                                             |                                                                                                                                                                                                                                                                                          |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
