

Hello Class 3! Welcome to this week's learning programme. Please try to do each lesson for Maths, Writing and Reading. If you can, try to do the topic work as well. Remember to pause the videos and do the short activities, like we do in class. Also, remember you can rewind / pause the videos as much as you like. Please record your work on lined/squared paper or in an exercise book.

Please also use the Active Learn books and Maths games on [Active Learn Login](#). I will update these as regularly as possible – mostly weekly.

Class 3, I would love to hear how you are getting on with the lessons and activities, so please drop me an email message or send me some photos of your work to Mrs Barnett jbarnett@flushdyke.wakefield.sch.uk Happy learning and exploring!
