

Hello Class 4! Welcome to this week's learning programme.

I hope you had a wonderful half term! You all worked incredibly hard during the last half term and I'm excited to start this half term in the same way. You should all be very proud of what you are achieving at home and hopefully we will be seeing each other very soon! I am looking forward to seeing you every day for our three daily live lessons, in Basic Skills, Maths and English.
