

Hello class 4! Welcome to this weeks Remote Learning. I really enjoyed seeing most of you again on the zoom lessons. From the feedback, I can tell a lot of you enjoyed it too and that's why I have included another this week. I have included 3 live lessons this week so we have on one on Tuesday, Wednesday and Friday. There is a zoom social meeting on Wednesday afternoon as well for you all to say hello to each other. I hope to see you all there! The lessons for literacy are based on grammar this week due to the half term on Friday.

Class 4, I would love to see all the wonderful work that you are creating, so please send in as many emails as you can. My email address is blowe@flushdyke.wakefield.sch.uk

If you complete the work quickly one day, why not try out the extra links below and challenge yourself even more. There are many fun games that you can access for free!
