

Hello class 4! Welcome to this weeks Remote Learning. I really enjoyed seeing most of you on zoom last week. From the feedback, I can tell a lot of you enjoyed it too and that's why I have included another this week. We also have a special week as it is 'Children's Mental Wellbeing/Health Week', please join in on the Monday afternoon activity. This can be completed anytime of the week but make sure you send me the pictures before Friday. I have included an extra live lesson this week so we have one on Tuesday and one on Friday. I hope to see you all there. This week is the week you complete your narrative writing as well! So, I look forward to seeing the results of all your hard work the past couple of weeks.

Class 4, I would love to see all the wonderful work that you are creating so please send in as many emails as you can. My email address is blowe@flushdyke.wakefield.sch.uk

If you complete the work quickly one day, why not try out the extra links below and challenge yourself even more. There are many fun games that you can access for free!
