

Outdoor Learning

This week, children in Classes 3 and 4 have been busy taking their learning outside. Both classes have enjoyed adventure-packed outdoor learning days, making the most of our wonderful outdoor areas. We've had work on habitats and life cycles in the woodland, autumn-themed hunts on the school field, to poems about the changing weather and some super outdoor drawings. Class 3 even enjoyed roasting marshmallows on the fire. All in all, a wonderful way to kick off this year's outdoor learning experiences!

Next week, Children in Classes 1 and 2 will be starting their outdoor learning journeys for this academic year. On Monday, it's Class 2's Outdoor Learning Day and on Wednesday it's Class 1's turn.

Please remember that children need to come to school in clothes which they will feel warm and comfortable in for a full day in the great outdoors!

Harvest Collection

From Monday of next week, we are starting our Harvest collection for Christ Church Foodbank. We spoke about this in today's whole-school Achievement Assembly, and the children showed a good understanding of the importance of doing good things for people less fortunate than ourselves.

We would really appreciate any donations of tinned/packaged food. Thank you in advance.

Friends of Flushdyke

Our wonderful Friends of Flushdyke Team are busy planning more events for this school year. We are excited to be hosting our annual Halloween Discos in the last week of the half term, alongside the return of the popular pumpkin carving competition.

As a result of fundraising events last year, we have recently bought some beautiful new musical instruments which the children will start to use in their music lessons after October half term.
